

Habitat for Humanity Leeward Oahu seeks to eliminate poverty housing and homelessness from the Leeward Coast of Oahu, and to make decent shelter a matter of conscience and action.

With our help, families work hand in hand with volunteers to build a simple, decent home for themselves. Habitat for Humanity has shown that building homes does more than put a roof over someone's head. In simple, decent, affordable housing:

- Families can provide stability for their children.
- A family's sense of dignity and pride grow.
- Health, physical safety, and security improve.
- Educational and job prospects increase.

“Love your neighbor as yourself.” - Matthew 22:39
